1. COLLECTION AND TRANSPORTATION OF NEWFOUNDLANDS YES..... NO.....

This may involve collecting dogs that are being taken into welfare, or transporting dogs to a foster home or new home. The collection of a welfare dog involves the completion of a simple form with the owner whereby they sign the dog over to the Northern Newfoundland Club. Any useful information gathered from the owner at this stage is an advantage.

2. FOSTERING OR KENNELING YES..... NO.....

Could you offer a temporary foster home for any of the dogs that come into our care? Please give full details of what you can offer including how many dogs you can foster, and whether you could take dogs or bitches or both etc? Please indicate if you have kenneling.

3. VETTING AND HOME CHECKS YES..... NO.....

Would you like to help find the right home for welfare Newfie? You may be asked to visit a potential home in your locality to check if it is suitable. There is a questionnaire to complete with the potential owner and you will be asked to give your personal observations and comments after leaving to help us make long term and happy placements.

Please return form to:
