

2023 Membership Subscription Renewal

The annual membership subscription is due on the 1st January 2023. If your subscription is not received by 1st March 2023, you will be removed from the register of members and will receive no further communications from the Club. However, you can be reinstated to the register by paying a re-joining fee of £5, plus the annual subscription, between 2nd March and 30th June. Please note that all documentation will be by e-mail unless otherwise requested in writing to the Secretary.

If your membership was approved after 1st October 2022 no further fee is needed.

Membership categories and Subscriptions

Single - £22

Joint - £25 – two adults living at the same address.

Junior affiliated (under 18) - £1 – whose parent(s)/guardian(s) are members residing at the same address. The subscription is to cover insurance for activities carried out by the junior.

Junior - £10 – stand-alone membership for those under 18. The subscription covers insurance and communications from the Club, but no voting rights.

Renewal can be made by one of the following methods:

Cheques or postal orders: please ensure that they are for the correct amount, made payable to the Northern Newfoundland Club and sent to **Mrs Sue Dobson, Membership Secretary, Crack Willows, Mayes Lane, Sandon, Chelmsford CM2 7RP** email: nncmemsec@gmail.com. **Please also complete the form on the back of this notice and return with your cheque so I can trace your membership.**

PayPal: renewal by PayPal can be done through the website at www.northernnewfoundlandclub.org.uk. If you use this method and any of your details have changed, please email them to me at the same time otherwise I may not be able to track your renewal and your membership may lapse. Please also email me if you are paying for someone else or the account name differs from the name under which the membership is listed. Please note that an extra charge of £2 will apply to cover the fees that PayPal charge the club.

Bank Transfer: this year we can offer renewal by Bank Transfer which will not carry any extra charges; however, it is VERY IMPORTANT that if you renew by this method, you email me the date paid, the amount paid, and the name of the membership for whom this refers. Please also, if possible, state your membership number in the payment reference when making the transfer (your membership number is printed on the bottom right-hand corner of the label on the envelope that this arrived in!). This is because it is very difficult to trace single payments within the bank account and there is a good chance of your subscription lapsing if I cannot allocate your payment.

Please note that the club's bank account has now changed to the following – please pay your subscriptions to **this account ONLY** and not to any other account, otherwise I may not trace it and your membership will lapse.

Account name: The Northern Newfoundland Club
Sort code: 30-99-50
Account number: 26409460

Membership Cards for 2023 will be sent to members with the April Newsletter. Thank you for your co-operation!
