

NORTHERN NEWFOUNDLAND CLUB

Walk for Welfare

Information for walk hosts

- The general idea of the walk is to get friends together and raise funds for welfare
- If you choose to host a walk we are very grateful.
- The location you choose is up to you, but please ensure it is safe and suitable, and you are allowed, (i.e. if it is private land). You choose the start time.
- If you cannot host a walk on the date we select, then you can select another date.
- You can arrange extra things to do such as raffles or games.
- We would appreciate a donation per dog (suggestion £5) however if you encourage your walkers to seek sponsorship (forms can be found on the club website and facebook page) they will generally bring a lot more.
- If you are able to inform the Walk for Welfare Facebook page, your walk will be advertised on there for you and shared many times.
- **PLEASE CONTACT THE TREASURER** yourself to communicate how you are to pay/handover the funds you have raised, this is very important, As sometimes money gets paid in and we don't know where it's from.

Thankyou.....Have fun
